IT'S A HOLIDAY MELEE!

JINGLE JANGLES - The Mystery Elf #1 ~ Because you demanded it! Kris Kringle's Crime-Fighting Christmas Elf is starring in her own series and saving the world from seasonal shenanigans. When 8-year-old Suzie Swoozie accidentally catches Santa's magic emergency snowflake on her tongue, she transforms into JINGLE JANGLES, an ornament bomb-throwing holiday hero! And J.J. is in for a holiday melee when she takes on on The Refusinator - a bombastic baddie bent on staying awake and catching Old Saint Nick as he nips down the chimney. Buy the comic, Santa's true believers, or you'll be on the naughty list!
